

“AS ONE, WE CAN.”
ONE DELIVERS YOUR EVERYDAY.

SUSTAINABILITY AT ONE

As a critical connector in the world’s supply chains, ONE is committed to promote sustainable practices with its suppliers and business partners. Sustainability matters to our customers and our intention is to work closely with them to help reduce their risks and improve the transparency of their own supply chain, delivering greater value and a common purpose through their journeys.

For its commitment to environmental sustainability, ONE has been awarded the ISO 14001:2015 certification by ClassNK.
