ONE Provided Free Transportation of Educational and Medical Materials to Ivory Coast

Ocean Network Express (ONE) East Asia joined hands with Crossroads Foundation, a Hong Kong based non-profit organization serving global need, to ship donated goods and resources to the local communities in Ivory Coast with the help of local NGO.

Fewer than 50% of people in Ivory Coast can read and write. There is also a lack of basic equipment in local medical health centres. On 21st December 2021, the local NGO in Ivory Coast received this shipment of needed material to support education and medical services in the vulnerable communities. This shipment included a variety of items such as:

- Furniture, equipment and supplies to establish a medical clinic
- Educational equipment and supplies, including computers
- Relief goods for local and surrounding communities

ONE East Asia is pleased to be able to do our part to extend our care to the poor and vulnerable. This was made possible with the concerted support of ONE Global Headquarters, staff at the Hong Kong loading port and Africa discharging port.

School kits consisting of books, pens, school bags and educational equipment were offered to schools. Medical materials and equipment such as delivery beds were distributed to rural health centres.

ONE East Asia will continue to provide support to communities in need and contribute towards different CSR activities.
